

# Bidding On A Brighter Future

Auction & Gala

September 22, 2012

Over the last 13 years The Justice for Children Advocacy Center has given a voice to over 1,400 child victims of physical and sexual abuse. Unfortunately, the number of children served continues to grow by nearly 20% each year. As a result, the present facility has outgrown the needs of these innocent children. The Kiwanis Club of Batavia has championed the cause of making the dream of a new Justice for Children Advocacy Center come true. On September 22, 2012, The Kiwanis Club of Batavia will be hosting its' Second Annual "Bidding on a Brighter Future" Auction and Gala at Batavia Downs. We humbly ask your support of this cause. Below, you will find suggestions for your involvement. Please remember, any gift is of great value to us and is graciously accepted.

Thank you
